

Presentation of information at Public Meeting #1 is focused on the progressive steps in development of alternatives.

- ◆ Presentation of previously considered alternatives (from Corridor Study and Interchange Feasibility Study)
- ◆ Confirm screening results (any changed conditions - traffic volumes, land use, etc.)
- ◆ Consideration of recently suggested alternatives
- ◆ EA-Level 1 Screening of recent alternatives (consistency with Purpose and Need, and objectives)
- ◆ Public review and input (public meeting #1)

Following Public Meeting #1, alternatives development and analysis will continue with more detail, based on the following:

- ◆ EA-Level 2 Screening of remaining alternatives
- ◆ Determination of one build alternative and the No Build alternative for full EA evaluation
