

Welcome to the second public meeting for the I-25/Arapahoe Interchange project. An Environmental Assessment (EA) is being prepared to evaluate reasonable alternatives for the I-25/Arapahoe Road interchange and to identify a preferred alternative. The first and second levels of alternative screening have been conducted. The alternatives moving forward into the EA analysis include a No Action alternative and the Improved Partial Cloverleaf without Costilla Crossing alternative. Please review the project information posted around the room, ask questions and provide input.

AGENDA

Open House 4:00 - 7:30 PM

There will not be a formal presentation tonight. Please feel free to view the exhibits at your own pace, and use this time to discuss the project 1-on-1 with project team members.

OPEN HOUSE STAFF

Arapahoe County

David Evans and Associates, Inc.
