

KEY FACTS

1. The Costilla Connection alternative has been eliminated.
2. Public comments will continue to be taken into consideration. This public meeting is NOT your final chance to comment.
3. Current design shows lane improvements along Arapahoe Road and Yosemite Street can be made with **NO PERMANENT PROPERTY ACQUISITION** required from residential properties in Walnut Hills.
4. Auxiliary lane improvements on Arapahoe Road and intersecting streets are not finalized. The Improved Partial Cloverleaf alternative can move forward with or without these improvements.
5. Funding for full interchange construction has not been secured.
